War and hate and mass hysteria,
Mind control subliminal media,
Rage and lust, reality TV and
Silicone puppies at nuclear factory size.

[Chorus 1]
E
These are the days that we all know about,

Em
These are the ways that we all talk about in our lives.

[Verse 3]
Well there s bombs and guns, corrupted government
Schemes and deals and plans uncovered there s
Fame and fakes with light rebellion and
Lately songs are sounding like nursery rhymes

These are the times that we all live around in our lives.

[Verse 4]

There s sons and dads with orders to follow,
There s blood and tears with medals of honor,
We must be mad to think that tomorrow could,
change without a vision or old fashion fight.

[Chorus 2] x 2

Repeat [Verse 1].
