

Bad Vibrations

A Day to Remember

For beginners use transpose button at bottom of page
to -2 and stick a capo on 2nd fret

[Intro]

Bm

[Verse 1]

Bm

Don t forget that this is a choice

Bm

Pick your poison

Bm

Live with remorse

Bm

Don t forget that this is a choice

Bm

Pick your poison

Bm

Live with remorse

[Instrumental]

Bm G Em Bm Em F#m

[Verse 2]

Bm

Em

G

I could burn a hole with my eyes that cuts straight through the skin

G

F#

No more love, no more resolution

Bm

Em

It s getting harder bearing the darkness within

G

I gotta let it out

F#

I m gonna let it...

[Chorus]

G

Em

I can feel your bad vibrations

Bm

All around me

D

All consuming

G

Em

Corrupting all that I am

G

Bm

D

This pain is a sickness looming over me, and I can t escape it

G

Bm

A

Casting shadows that continue to shape who I am on any given day

[Verse 3]

Bm

It s like a fog surrounds me applying pressure within

Bm

Weighing me down, seeing in double vision

Bm

G

It hits so hard I stu- stu- stutter my speech

G

Ya go kinda cold inside

G

Dancing on thin ice

[Chorus]

G

Em

I can feel your bad vibrations

Bm

All around me

D

All consuming

G

Em

Corrupting all that I am

G

Bm

D

This pain is a sickness looming over me, and I can t escape it

G

Bm

A

Casting shadows that continue to shape who I am on any given day

G

Bm

D

This pain is a sickness looming over me, and I can t escape it

G

Bm

A

Casting shadows that continue to shape who I am on any given day

[Bridge]

Bm

Toxic

Bm

Toxic

Bm

Toxic

Bm

Toxic

[Outro]

Bm

This darkness, this darkness

Bm

Leaves me empty like

Bm

I am the heartless

Bm

Toxic

Bm

Toxic within
