Not In That Way
Sam Smith

Intro: **E G#m C#m A**

```
       E G#m         C#m        A
And I hate to say I love you
          E G#m       C#m    A
When it s so hard for me
      E G#m           C#m      A
And I hate to say I want you
          E               G#m
When you make it so clear
               C#m   A
You don t want me

           C#m
I d never ask you cause deep down
      B                        E    A
I m certain I know what you d say
               C#m
You d say I m sorry believe me
    B                       E    B
I love you but not in that way

       E G#m          C#m      A
And I hate to say I need you
          E
I m so reliant
          G#m
I m so dependent
            C#m     A
I m such a fool

A          C#m     B
When you re not there
E          B            A
I find myself singing the blues
             C#m
Can t bear
                  B   (Stop)
Can t face the truth

           E  G#m          C#m      A
You will never know that feeling
           E G#m                  C#m    A
You will never see through these eyes

           C#m
I d never ask you
```

```
                      B                          E     A
Cause deep down I m certain I know what you d say
               C#m
You d say I m sorry

Believe me
    B
I love you
                C#m    G#m
But not in that way

                A
You d say I m sorry

Believe me
   B
I love you
                  E
But not in that way
```
