A Little Bit Stronger
Sara Evans

[Intro]

D Bm A G

[Verse 1]

D
Woke up late today,
Bm
And I still feel the sting of the pain,
A
But I brush my teeth anyway,
G
Got dressed through the mess,
A Bm
and put a smile on my face
G
I got a little bit stronger

[Verse 2]

D
Ridin in the car to work,
Bm
And I m tryin to ignore the hurt,
A
So I turned on the radio,
G
Stupid song made me think of you,
A Bm
I listen to it for a minute,
G
But then I changed it,
D
I m gettin a little bit stronger,
Bm
Just a little bit stronger

[Chorus]

G
And I m done hopin, that we can work it out,
A Bm
I m done with how it feels, spinnin my wheels,

```
A                                   D
Lettin you drag my heart around, and oh,
     G
And I m done thinking you could ever change,
            D             A/C#
I know my heart will never be the same,
      Bm                     D/A
But I m tellin  myself I ll be okay,
G
Even on my weakest days,
                     D   -  Bm -  G
I get a little bit stronger

[Verse 3]

D
It doesn t happen overnight,
       Bm
but you turn around and months gone by,
       A
And you realize you haven t cried,
    G
Not givin  you an hour or a second
     A            Bm
or another minute longer,
                  G         A
I m busy gettin  stronger

[Chorus]

    G
And I m done hopin, that we can work it out,
A             Bm
I m done with how it feels, spinnin my wheels,
A                                   D
Lettin you drag my heart around, and oh,
     G
And I m done thinking you could ever change,
            D             A/C#
I know my heart will never be the same,
      Bm                     D/A
But I m tellin  myself I ll be okay,
G
Even on my weakest days,
                     D   -  Bm
I get a little bit stronger

I get a little bit stronger

                    Bm
How does it feel without me baby

I m gettin  stronger without you baby
```

[Chorus]

```

And I m done thinking that you could ever change,
            D            A/C#
I know my heart will never be the same,
       Bm                   A
But I m tellin  myself I ll be okay,
G
Even on my weakest days,

Get a little bit stronger
