

**If I Leave**  
**A Day to Remember**

If I Leave chords by A Day To Remember

Capo 3

Intro

**G**

Let s Go!

Verse 1

**G** **Cadd9**

In the beginning I was up front

**Em** **D**

Nothing to think about, you d always hear me out

**G** **Cadd9**

We made a pact to never give up

**Em** **D**

When everything would change, we d always stay the same

Pre-Chorus

**G**

Something went wrong along the way

**Cadd9**

You d come around and there s nothing left to say

**Em** **D**

It s like we re strangers anyway, what more could you ask of me

**Em** **D**

It s been a long time coming, but everyone s gonna hear me now

Chorus

**G**

If I leave, bet you ll wish I d stayed

**Cadd9**

Make you regret all the things you said to me

**Em**

You know that time can t help us now,

**D**

If I leave this, if I leave this way.

Verse 2

**G** **Cadd9**

I ve always been a man of action,

**Em** **D**

Never let anything keep ahold of me

**G** **Cadd9**

Can always tell when something s missing,

**Em** **D**

Like I knew everything except for you and me

Pre-Chorus

**G**

I can't make you want to stay,

**Cadd9**

I'll take a shot but it's broken anyway

**Em** **D**

I still gave it everything, I guess I never catch my break

**Em** **D**

It's been a long time coming, but everyone's gonna hear me now

Chorus

**G**

If I leave, bet you'll wish I'd stayed

**Cadd9**

Make you regret all the things you said to me

**Em**

You know that time can't help us now,

**D**

You know that time can't help us now,

**G**

If I leave I should move away,

**Cadd9**

And try to right all the wrongs we've ever made

**Em**

Well let your problems weight me down

**D**

If I leave this, if I leave this way.

Bridge

**G**

Never thought you'd be the last one standing

**Cadd9**

Never thought that we would come this far

**Em**

You'll always be there looking over my shoulder

**D**

Come to terms with exactly what we are

**G**

Never thought you'd be the last one standing

**Cadd9**

Never thought that we would come this far

**Em**

You'll always be there looking over my shoulder

**D**

Come to terms with exactly what we are

Chorus

**G**

If I leave, bet you'll wish I'd stayed

**Cadd9**

Make you regret all the things you said to me

**Em**

You know that time can't help us now,

**D**

You know that time can't help us now,

**G**

If I leave I should move away,

**Cadd9**

And try to right all the wrongs we've ever made

**Em**

Well let your problems weight me down

**D**

If I leave this, if I leave this way.

Outro

**G**

Never thought you'd be the last one standing

**Cadd9**

Never thought that we would come this far

**Em**

You'll always be there looking over my shoulder

**D**

**G**

If I leave this, if I leave this way.
