Winter Light
Sarah Brightman

```
F#
Hearts call
C#/E                  B/D             F#
Hearts fall swallowed in the rain
F#
Who knows
   C#/E                B/D            F#/C
 Life grows  hollow and so vain

Ebm                             C#
Wandering in the winter light
         B                  F#
The wicked and the sane
C#                            B
Bear witness to salvation
        F#           C#7            F#
And life starts over again

        F#              C#            F#           C#
Now the clear sky is all around you
B    F#     B     C#
Aah aah aah aah
   G#m                     Eb4        G#m
Love s shadow will surround you

C#      C#7          F#    F#4
All through the night
F#    Bbm7/5-/Eb     Eb4   Eb7
Star glowing in the twilight
G#m   Eb7 G#m
Tell me true
C#    B           F#/A    B
Hope whispers and I will follow
C#4    C#       F#
Till you love me too

F#   G#m7         F#   G#m7   Bb
Aah ah ah ah ah ah ah ah ah

[Solo] Ebm  C#  B  F#  C#  B  F#  C#7  F#

F#        G#m7         F#   G#m7         F#   G#m7               F#
Aah ah ah ah ah ah ah ah ah ah ah ah ah ah ah ah
