Winterman - Sarah Humphreys
Album: Hello
Capo 4

Verse 1
```
Am                G
Winterman why you hide there
        G                            Am
Why you rain your heavy snow upon my roof
                      G
Blowing gales of icy trouble
        D                            Am
Distant calls of birds suffer in the peaks
```

Chorus
```
         C                       G
Its been weeks since I have seen sun
               D
Since Ive seen peace
               Am
Since its seen me
      C                 G
And I walk through your gauntlet
      D          Am
Never give it my hope
```

Verse 2
Winterman why you crouch there
Hiding under happiness and health
Stormy ships sail the horizon
You are trouble
I will sink you

Chorus

Bridge
```
C    G    D   Am
```

I never give you my hope
Never give you my hope
Never give you my hope
Never give you my hope
