F2

It s Monday morning

And I would kill for a chance to drive

A2

Get so far away from here with you my dear
That I ll never leave your side

F2

Nobody knows the troubles I ve seen

A2

In a van, on a soapbox for the world to see

F2

G2

A2

Miles away, and I wish this didn t mean so much to me

C

To be a monument for the rest of them

F2

G2

A2

Miles away, and I wish this didn t mean so much to me

C

To be a monument for the rest of them

F2

We re getting older

A2

I ve started to fear for my life

F2

is this the way that it should be?

A2

this whole thing s riding on me

F2

it s been a long road so far

A2

with nowhere to turn

F2

There s no looking back from here

A2

no more dwelling on my fears

F2

G2

A2

Miles away, and I wish this didn't mean so much to me

C

To be a monument for the rest of them

F2

G2

A2

Miles away, and I wish this didn't mean so much to me

C

To be a monument for the rest of them

D

Twenty bucks says you'll remember me

F

When you see me on your TV screen

A2

It may be the first time

G

But it won't be the last time [x3]

D

And I'll scream

F

so loud that everyone in this place

A2

Will hear every word I say

G

cause this is my time, this is my time to shine

let nothing stand in our way [x2]

D

Twenty bucks says you'll remember me

F

When you see me on your TV screen

A2

It may be the first time

G

But it won't be the last time
