Ab **Eb** **Bb**
We left home with no kinda back up plan
C **Bb** **Ab**
And everyone we knew that we couldn't stand

Said, If you can't make it here you won't make it there

Don't wanna hear about it

Spent most of our time sleeping on hard wood floors

People's living rooms, in any open door

We played a show a night til it all made sense

Refrão:

So here I am
I'm right back at it again
Just like I've always said
If you're too cool for school

I ain't here to make no friends
And I'll say, Hey (hey)

I'm right back at it again
Just like I've always said
If you're too cool for school

I ain't here to make no friends

Solo

(G# Eb Bb C Bb) (G# Eb Bb Bb) x2
Don't wanna hear about it
Don't wanna hear about it, yeah!

So here I am
I'm right back at it again

Just like
I've always said

If you're too cool for school
I ain't here to make no friends
And I'll say, Hey (hey)
