

**This Is The House That Doubt Built
A Day to Remember**

Intro: **Bm Em G Bbm**

Bm **Em**
Don't get me started on what it means to be alive

G
You're lying to yourself and then

Bbm
Still you act surprised

Bm
Cause you're scared

Em
Can't come to terms with what you are

G **Bbm**
The wolf in sheep's clothing will only lead you so far

G **A**
You'll wait and they'll go

Bm **D**
Cause in the end, we all end up alone

G **A**
So just wait, you'll know

D
Forget everything

A **Bbm** **Bm**
Just for tonight we'll sing like everyone when they're alone

A
Cause I've been waiting for tonight

G **A**
To sing whoa, whoa!

(**Bm Bbm**)

Bm
I rely on myself

Em
Just making sure that was clear

G
I'm not in need of your crutches.

Bbm
I've faced all my fears

Bm **Em**
And I won what I knew I could have

G **Bbm**
Life is not a punch card; make the best of what you have

G **A**
