Capo 4

[Intro]
```
e|-----------------------------------------------------------------|
B|---------------------0-------------------------------------------|
G|-------------0-0-0-----2-0----2-3-2-0---2-3-2-0----------------|
D|-----------0-------3-------2----------2---------2--------------|
A|-----0-2-0-------------------------------------------------------|
E|-3-3-------------------------------------------------------------|
```

[Verse 1]
```
G#                          G#7               C#
This lazy living, yeah it sure tastes good
G#                            G#7       C#
Let s make a killing down in Hollywood
G#                      G#7                      C#
And buy ourselves some nice fancy home in the hills
G#                       G#7                        C#
Spend all our fancy old time spending ten dollar bills
C#                                  C#    Eb
Da da da da da, da da da da da
```

[Verse 2]
```
                        Fm
Watch out cause here I come born and lazy
            G#
Yeah here I come, no dignity
        Fm
So long sad city of angels
    C#                       G#
You ain t been very good to me
             Fm
You take the blood right from my body
                   G#
Yeah you take that bone out of my spine
        Fm                    C#                  G#
So long sunny California, you ain t no friend of mine
```

[Verse 3]
```
G#                            G#7         C#
So New York City, yeah, I ll see you soon
```

```
G#                           G#7        C#
Spend all my money on some elbow room
G#                          G#7                       C#
Yeah wander around like I got some place fancy to go
G#                    G#7                    C#
ohh I m the king of Brooklyn for all you know

[Verse 4]
                        Fm
Watch out cause here I come born and lazy
            G#
Yeah here I come, just passing through
       Fm
Follow me beyond the mountain
C#                    G#
Howl at the old big moon
                 Fm
Yeah, strip them clothes right off your body
            G#
Dress your skin in sticks and stones
        Fm
Doesn t matter where we re heading cause

[Outro]
C#
Some of us were built
C#
Some of us were built
C#                         G#
Some of us were built to roam

----------------------------------------
My lazy best take at the song. Basic chord outline.
```
