

Don't mind my gasp, it's so much harder to breathe when you're near
Dsus4 B/G Gsus4
You made it so hard for me to learn through my eyes
Dsus4 B/G Gsus4
Don't mind me asking but could I trouble you, Miss, for a smile?
Dsus4 B/G Gsus4
Just give me one last wish with a kiss. It's what my dreams are

Bsus2 Gsus4
So we'll both tell ourselves that this for the best
Bsus2 Asus4
But I'm depending on you to lead me through
Bsus2 Gsus4
So try to stop those hands, you're riding down my neck
Bsus2 Asus4 Gsus4
You touch, I tremble, you never were one to play fair

Dsus4 Asus4 D/F#
These past four walls won't be the only thing that's keeping me
 Bsus2
from you

 Gsus4
This distance could never hold this back (I need you)
Dsus4 Asus4 D/F#
So let's just take this time and we'll use this for reflection

 Bsus4
And I'll see you in three days
 Gsus4
And you'll think of me when you're next to him

Dsus4 D/F# Gsus2
So here we are, again, in the same situation
Dsus4 D/F# Gsus2
I'm screaming at the top of my lungs, and you're not saying a word
Dsus4 D/F# Gsus2
Did you just say what you mean?
Why can't you can't you just mean what you said
Dsus4 D/F# Gsus2
When you said No one can love you like me ?
