

You Shouldve Killed Me When You Had The Chance
A Day to Remember

Am **F**
So I say goodbye to a town that has ears and eyes
C **Em**
I can hear you whispering as I walk by
Am **Em**
Familiar faces smiling back at me and I knew
F
This would make them change

Em **Am**
The only thing that s going to bother me
Am **F**
Is that you ll all call yourselves my friends
C **Em**
Why can t you look me in the eyes one last time?
F **Am**
The writings on the wall, you ve read that I ll be gone, but if you call my name
Em **G** **C**
Just know that I ll come running, for one more night to spare with you
C **Am**
This is where I m meant to be, please don t leave me
Em
I ve read these stories a thousand times, and now I ll rewrite them all
Am
You re meddling in and anger you can t control
Em
She means the world to me, so hold your serpent tongue
Am **F**
Is a whores lies worth dying for? I ll just take my time

Em **Am**
The only thing that s going to bother me
Am **F**
Is that you ll all call yourselves my friends
C **Em**
Why can t you look me in the eyes one last time?
F **Am**
The writings on the wall, you ve read that I ll be gone, but if you call my name
Em **G** **C**
Just know that I ll come running, for one more night to spare with you
C **Am**
This is where I m meant to be, please don t leave me
Am
I walked into your house this morning
F
I brought the gun from our end table
C

Your blood was strewn across the walls

Em

They ll find you on your bathroom floor

But should I write it all off?

Am **C**

But should I write it all off?

Am **C**

But should I write it all off? (You should have killed me when you had the chance)

Am

But should I... ? (You should have killed me when you had the chance)

Em

You should have killed me when you had the chance
