The air was thin as a beggar s sleeve

The city lights were miles away

The hush was as thick as your winter coat

And you wrote our names in the morning snow

C

G

With the fallen twigs and berries saved

Am

Well, don t be scared of avalanches

C

Tucked up in my snowy branches

G

I will

G

Oh I will

G

Oh I will

Am **C** **G**

I will keep you safe

Stay on G

G

The sun is overhead and you lift your face

G

Up to the sky and you sing this place

C

G

The sweetest song it s ever known

G

Then slowly the deer and the rabbits crept

G

Outside to hear, the grizzlies left

C

Their great big teeth and their claws

G

At home

Am

Don t be scared of avalanches

C

G

Tucked up in my snowy branches, I will

Am

And look how well the gray wolf dances

C

You bring light and second chances

G

I will

Oh I will

Oh oh I will

Oh oh I will

Oh oh I will

Yes, I will

I will

I will

Keep you safe

The ending I find difficult to figure out... Mess around with those 3 chords and you should find a way that works for you!!

The way I play it is a bit different. If you want to see my cover I will be uploading it to YouTube very soon!
