Stitch in your knitted brow  
And you don t know how  
You re gonna get it out  
Crushed under heavy chest  
Trying to catch your breath  
But it always beats you by a step, all right now

**D** **G**  
Making the best of it  
Playing the hand you get  
You re not alone in this

**G** **D**  
There s hope for the hopeless  
**G** **D**  
There s hope for the hopeless

Cold in a summer breeze  
Yeah, you re shivering  
On your bended knee  
Still, when you re heart is sore  
And the heavens pour  
Like a willow bending with the storm, you ll make it

Running against the wind  
Playing the cards you get  
Something is bound to give

There s hope for the hopeless  
There s hope for the hopeless

**G** **D**
