

Lifesize

A Fine Frenzy

(intro) **D A D A**

D **A**
We stood so tall we caught a plane
D
By the wing and held it safe
A G
Until we found it a place to land
D A
We laid across the ocean wide,
D
Bridged the gap in record time, the people traveled across and
A G
Kissed our hands

All for love, we become
D A
Larger than lifesize, wondersome
D
Great in the eyes of someone
A
Larger than lifesize we become,
D A
Great in the eyes of someone

D A
We smiled so bright the sun went down
D
Rose above the maddening crowd
A G
We lit the streets with the sweetest glow
D A
We held the globe and made it turn
D
Wandered through the universe
A G
The men of science observed through telescopes

All for love, we become
D A
Larger than lifesize, wondersome
D
Great in the eyes of someone
A
Larger than lifesize we become,
D

Great in the eyes of someone

(A D A D A D A)

D A
Larger than lifesize, we become
D A D A
Larger than lifesize we become,
D A
Great in the eyes of someone
