

Lovesick

A Fine Frenzy

Bb, A, Dm 2x

Bb

A

Sweet as a fox

Dm

Calm in a crowd

Good with a spotlight

Bb

A

She is out, out to be yours

Dm

I Am A detail

Bb

Minor detail, so it seems

A

Dm

Planting the seeds of doubt in your mind

Bb

She s playing for keeps, but so am I

A

Dm

I m fighting for keeping us together

Bb

F

I need to believe you

Dm

Bb

Love sick, only you can fix it

F

I need you

Am

I need you to stay

Bb

Yeah, yeah

Bb, A, Dm 2x

[Bb, A, Dm] 4x

You say she s a friend

No friend of mine

I ve never been called the jealous kind

But I ve got a cause

Cos I am a detail

Minor detail, oh no

And you are the prize

She s aiming to win

I m failing to see where I fit in

[Bb, F, Dm, Bb]
I need to believe you
Love sick only you can fix it
[Bb, F, Am, Bb]
I need you
I need you to stay
[Bb, F, Dm, Bb]
The panic s distracted
Love sick only you can fix it
[Bb, F, Am, Bb]
I need you
I need you to stay
Yeah, yeah

Bang bang bang bang
Dm D#
 And walls are falling, falling, falling
F
 Bang bang b-bang to the dusty road
 Bang bang bang bang
Dm D#
 And she keeps on calling, calling, calling
 Bang bang bang
F
 Headaches, make her go

[Bb, F, Dm, Bb]
Cos I need to believe you
Love sick, only you can fix it
[Bb, F, Am, Bb]
I need you
I need you to stay
Yeah, yeah
[Bb, F, Dm, Bb]
The panic s distracted
Love sick, only you can fix it
[Bb, F, Am, Bb]
I need you, I need you to stay
Yeah, yeah
