```
D                      G         A    D
Be Thou my vision, oh Lord of my heart
A                          G              A
Naught be all else to me, save that Thou art
G               D/F#     A        G
Thou my best thought by day or by night
D           G           A            Bm    A Bm A
Waking or sleeping, Thy presence my light

D                       G       A     D
Be Thou my wisdom, and Thou my true word
A                     G            A
I ever with Thee and Thou with me Lord
G               D/F#    A            G
Thou my great father and I Thy true son
D           G          A            Bm     A Bm A
Thou in me dwelling and I with Thee one

D                       G       A   D
Riches I need not, nor man s empty praise
A                      G         A
Thou mine inheritance now and always
G             D/F#   A         G
Thou and Thou only first in my heart
D             G         A            Bm    A Bm A      G, A, G, A
High King of heaven my treasure Thou art

D                        G    A  D
High King of heaven, my victory won
A                          G               A
May I reach heaven s door, bright heaven sun
G           D/           A         G
Heart of my own heart, whatever befall
D           G          A         Bm
Still be my vision, oh ruler of all
D           G          A         D
Still be my vision, oh ruler of all
