Zillion Eyes
Starlight Mints

Capo on 2nd

```
F         Bb      Am
There s a zillion eyes
E7                Am
But there s just one of you
F        Bb    Am
Charming butterflies
E7                     Am
Catching clouds thats still mean
Dm         C   E
Any word I can speak
Gm7                  E7
Just wind it up your doll
                       F
 cos you re the sum of invention
        Bb     Am
Til the music stops..

(til the music stops)
F           Bb    Am
I dont know why i try
E7               Am         F
Maybe to see how long i can stumble
                  Bb        Am
Through stairways down your spine, i
E7                     Am
I try to see through a zillion eyes
Dm             C    E7
Any words that feel cheap
Gm7                   E7
Just wind them up you doll
                       F
Dont be something that matters
E7                                F
Just wind it up and show you the pattern
E7                F
You re the sum of invention
        Bb    Am
Til the music stops..(til the music stops x2)
```

The chords arent 100% accurate, but like this its easy to play and should sound ok. Have fun!! jo
