Tell Me Its Not Over
Starsailor

I worked this out from a life version i saw.....
so its got a good chance of being alright :)
once again, im only 15, so if its a loada shizz,
keep your hair on mate (Y)

F#m7 - 022033
Cadd9 - 0320033
G - 320033
A/G# - 200033

i know the chord numbers might not be right,
but the idea is that (if your familiar with playing wonderwall you ll be fine)
you dont ever move you 3rd and 4th fingers.

Capo 3rd Fret

F#m7 Cadd9 G A/G#
Thought Iâ€™d lost you once again
F#m7 Cadd9 G A/G#
All that drinking bought some trouble to our name

(REPEAT THESE CHORDS FOREVER)
Late at night I feel no shame
All my old world stories
Take me back again
