B
I want to have you here with me
F#
To cuddle up so near to me
E                                 Eb     Bb
And do the things you like me to do to you

B
You like it when I tickle you
F#
We start to kiss, it pleases you
E                                    Eb       Bb
It feels so good, I just don t know what to do

B
To take you when your feelin good
F#
To love you like I know I should
E                        Eb        Bb
It makes me feel all of ten feet tall

   B             F#
So I just try to give to you
E                 B
All that I can to satisfy you
B               F#
I don t like to leave you girl
E          F#         B
Almost but not quite there

   B             F#
So I just try to give to you
E                 B
All that I can to satisfy you
B               F#
I don t like to leave you girl
