Bring It On Home
Status Quo

Intro-the bass can play this throughout the song too. Its like attack of the bloody arpeggios
here...strike the chords once in the intro only and let them ring until the next chord.
will need 2 guitars for this though...

```
  Bb         F
e---------------------|
b---------------------|
g---------------------|   Twice
d---2-5-2-5-----------|
a-3-----------2-5-2-5-|
e-----------3---------|
```

If You Have A Fellow Guitarist To Hand While He/She Plays the Chords You Can Play The
Chord Style Slow Shuffle- following the chord changes obviously. eg

```
Bb   A-10-10-12-10-10-10-12-10-|
    E-8--8--8--8--8--8--8--8--|  And So On
```

```
         Bb                F
If you ever change your mind
         Bb                 Eb
About leaving, leaving me behind
        Bb                                Eb
Oh-oh bring it to me, bring your sweet loving
  F                      Bb
Bring it on home to me, yeah
```
