My Little Heartbreaker
Status Quo

```
    D   D   D   D

            G
What s been happening in your world again
                D
While I ve been gone?
         G
Are you wandering, or in love again?
E             G
No no no, it can t be so
         D                   A
Is your wandering happening?

D
I ve been thinking  bout ya

My little heartbreaker

I feel lost without ya

My little heartbreaker
G
Maybe, baby
D
I should live without ya

My little heartbreaker
E7
Take a listen to what I m telling ya
G
You know it s true
D                                            A
You re the kind of girl I ve been looking for

 D   D   D   D

        G
Take a look again, does it matter when
         D
It s Babylon
        G
Can we carry on, make it big and strong
E          G
No no no, can t say no
          D                   A
```

So let s carry on, take it on
