**Bm D**  
If it is true, if you have come to the rescue,  
**G A Bm**  
Why do the bells sound of danger?  
**Bm D A**  
Words of peace, they fall from you freely.  
**G A Bm**  
Awful free for a stranger.

**Bm D F#m**  
Setting sun, you know you ought to run.  
**Bm D**  
There s a wolf here among the sheep.  
**Bm D F#m**  
But marching along the spirit catcher s song,  
**F#m D**  
You remain in a dreamless sleep.

**F#m G F#m G**

**Bm D A**  
Fog and fears and a mouth full of hot tears,  
**G A Bm**  
Can drown that voice sent to guide you.  
**Bm D A**  
And wicked tongues with their hooks, and their ice blood,  
**G A Bm**  
Can wake the demons inside you.

**Bm** **D** **F#m**  
 Doubt will creep through the windows as you sleep,  
**Bm** **D**  
 Setting in like a cold, cold front.  
**Bm** **D** **A**  
 Your hands go numb and your stomach doubles up.  
**F#m** **D**  
 And you think, was I happy once?

**F#m** **G** **F#m** **G**
