This Summer
Superchunk

Intro: **A5**

```
         A                 G                  D
Oh, this summer we won t regret what we cannot know
             A
Oh, they can lift the roof right off of this house
              G             D
Yeah they can cancel all our shows
             A
We ll make a break for the bridge after raiding the fridge
        G                   D
Pick up your friends in Baltimore
      A
My parade of ships and a tape full of hiss
             G               D
and we ll forget what came before

F#m              G
It s hard to forget
                    A
We need time to forget
F#m              G
It s hard to forget
                    D
We need time to forget

D       A
Oh, yeah

         A
Oh, this summer
     G                      D
Your shoulders look good to me
           A
and that horizon is heavy, it holds back the clouds
            G                     D
we ve got a clear path down to the sea
             A
we split the city at dark when the roads are clear
              G                    D
we ll hit the lobster shack and the store
     A
my parade of hips and a tape full of hiss
        G                  D
and the sleeping bag on the floor
```

```
       E
We got sweaty sheets and an ocean view
       D
and it feels like a time machine
         E
well you can t forget what you never knew
        D
so come erase this summer with me

Solo:

A A G D
A A G D
F#m G A A
F#m G A D
A A

        A
Oh this summer oh oh
              G                   D
I only will regret what we cannot change
          A
oh we can take the crowns off of all of these clowns
    G                  D
and live on what hope remains

       E
We got sweaty sheets and an ocean view
       D
and it feels like a time machine
         E
well you can t forget what you never knew
        D
so come erase this summer with me

       E
We got sweaty sheets and an ocean view
            F#m                        D
well honey, I age backwards when I m next to you
         Bm
so come erase this summer with me
           D                        A
Erase this summer with me, yeah
```

Could also be played entirely in power chords, depending on what condition your condition is in. Have fun.
