Kick In The Teeth
Supergrass

(main riff - played over everything except chorus and bridge)

```
-------------1-------------------1-------------------|
-----2-0-2-0---2-0-2-0-4-2-0-2-0---2-0-2-0-4-2-0-2-0-|
-----------------------------------------------------|
-----------------------------------------------------|
-(4)-----------------------------------------------|
-----------------------------------------------------|
```

(verse 1)
Eb
It s a kick in the teeth
Can make it hard to smile
I m turning to a dirty dastard style
well i don t mind there ain t no use in cryin
So I just keep on trying

(refrão)
```
        B                   Bb
And the heartache would be firm
      A                 G#                    Eb
But I just can t get my head around what you want
```

(verse)
Killing time waiting for tomorrow
well I can t sleep until my pills I swallow
Well the guys, as terrified as I am
Well I just keep on trying

(refrão)
And the heartache would be firm
But I just can t get my head what you
What you want

(ponte) A5 A5 G#5 (2x) G#

(verse)
Well kick in the teeth
Broken glass went flying
It s a fucking cheek bloody mouth, don t mind it
You cut me down but there ain t no use in crying
So I just keep on trying

(refrão)
The heartache would be firm
But I just can t get my head round what you
Oh, what you want

(outro)
What you want
Don t know what you want
What you want
Don t know what you want
Don t know what you want

(B Bb A G#) G#
