Best Friends Forever
Sydney Thomas

hey ya ll this is one of my songs about my best friend lauren i hope you like it!!!!!

VERSE 1 (PLAY **Am**-**A**-**Am** REPEAT X1)

```
A             Am                          A                Am
remember when we where just ten years old pretending like we ruled the
      A                Am                 A
world with our guitars we where rock stars best friends forever
```

CHORUS

```
C                                     Em                                  C
i dont ever want to see you hurt no i dont ever want to see you cry so when
                                                        Em
were grown up and we meet those special guys ill put yours through heck
                     C
just to show to him not to mess with you oh
```

VERSE 2 (PLAY **A**-**Am**-**A**)

```
Am            A                  Am                      A                 Am
remember when we where thirteen laughing in my bedroom listening to cds a
                                 A
song came on about heartbreak and you leaned over to say (REPEAT CHORUS)
```

VERSE 3 (PLAY **A**-**Am**)

```
A                     Am                                          A
were all grown up now starting to start the rest of our lives going our
            Am                        A                       Am
sepret ways with our special guys oh and ten years from now we ll still look
back
and (REPEAT VERSE 1)
```

thanks ya ll i hope you guys enjoy it!!!!
