[Verse]
```
F#                                        Fill 1
I could have love you girl like a planet
F#                                      C#  C#sus4  C#
I could have chained your heart to a star
B        G#m                      C#
But it really doesn t matter at all
B        G#m                      C#
No, it really doesn t matter at all
          F#
Life s a gas

[Verse 2]
```
F#                                        Fill 1
I could have built a house in the ocean
F#                                    C#  C#sus4  C#
I could have placed our love in the sky
B        G#m                      C#
But it really doesn t matter at all
B        G#m                      C#
No, it really doesn t matter at all
          F#
Life s a gas
```

[Verse 3]
```
F#                                        Fill 1
I could have turned you into a priestess
F#                                        C#  C#sus4  C#
I could have burned your faith in the sand
B        G#m                      C#
But it really doesn t matter at all
No, it really doesn t matter at all
```

```
