T. Rex

```
[G]                           [Bm]
It s gonna go, it s gonna go, Ahhh
[G]                           [Bm]
It s gonna go, it s gonna go, Ahhh

          [G]
I can see wild flame in front of me
          [Bm]
I can see streets built on ebony
          [D]
I can see men as big as cedar trees
[E]
What s goin  on

           [G]
I can feel earthquakes inside of me
            [Bm]
I can sense landslides of devilry
         [D]
I can be everything that s been bad to me
[E]
What s goin  on

      [B]
I say look to your soul, you better look to your soul
           [E]                           [B]
You better look to your soul, you better look to your soul
   [G]             [E]
Or else it s gonna go
