

## Cheer Up

### A Great Big World

Intro: G D G C G D Em C

G D G  
C  
Cheer up! Cos nothing really matters when you look up into outer space.  
G D Em C  
It s a great big world and there s no need to cry.

G D G  
C  
Cheer up! We re all interconnected to the reaches of the galaxy.  
G D Em C  
And my best friend said he came from the sky.

D G D  
He travelled to The Earth aboard a pink spaceship,  
D G C  
It s hard for him to hide behind those eyes.

G D G C  
Cheer up! The atoms in your body are as old as every dinosaur.  
G D Em C  
You re a special part of one big grand design.

G D G  
C  
Cheer up! We re all in this together to discover what we re living for.  
G D Em C  
13 billion years and there s still time.

D G D  
Every night I wish upon the star so bright,  
D G C  
Waiting for the others to arrive.

G D G  
C  
Cheer up! Cos nothing really matters when you look up into outer space.  
G D Em C  
It s a great big world and there s no need to cry.  
G D Em C G  
13 billion years and there s still time.
