City Of Dreams
Talking Heads

```
Eb                                        G#
Here where you are standing
Bb
The dinosaurs did a dance
Eb                                G#
The indians told a story
Bb
Now it has come to pass
G#                                    Eb
The Indians had a legend
Bb
The Spaniards lived for gold
G#                                                        Eb
The white man came and killed them
             Bb
But they haven t really gone

REFRÃO:
Eb                    Bb              G#
We live in the city of dreams
Eb                       Bb                 G#
We drive on this highway of fire
Fm
Should we awake
G#
And find it gone
Bb
Remember this, our favorite town

SOLO: Eb G# Bb (2X)

Eb                                      G#
From Germany and Europe
Bb
And Southern U.S.A.
Eb                                           G#
They made this little town here
             Bb
That we live in to this day
G#                                         Eb
The children of the white man
Bb
Saw Indians on TV
G#                                       Eb
And heard about the legend
                Bb
How their city was a dream
```

REFRÃO:

Eb **Bb** **G#**
We live in the city of dreams
Eb **Bb** **G#**
We drive on this highway of fire
Fm
Should we awake
G#
And find it gone
Bb
