

Cheer Up
A Great Big World

Intro: G D G C G D Em C

G D G
C
Cheer up! Cos nothing really matters when you look up into outer space.
G D Em C
It s a great big world and there s no need to cry.

G D G
C
Cheer up! We re all interconnected to the reaches of the galaxy.
G D Em C
And my best friend said he came from the sky.

D G D
D G C
He travelled to The Earth aboard a pink spaceship,
It s hard for him to hide behind those eyes.

G D G C
G D Em C
Cheer up! The atoms in your body are as old as every dinosaur.
You re a special part of one big grand design.

G D G
C
Cheer up! We re all in this together to discover what we re living for.
G D Em C
13 billion years and there s still time.

D G D
D G C
Every night I wish upon the star so bright,
Waiting for the others to arrive.

G D G
C
Cheer up! Cos nothing really matters when you look up into outer space.
G D Em C
It s a great big world and there s no need to cry.
G D Em C G
13 billion years and there s still time.
