Reach Out Your Hand
Tammy Wynette

Reach Out Your Hand

Chorus:
```
F               Bb   G7            C
Reach out your hand and touch somebody
D#                F                  Bb
Together build a dream to call your own
F               Bb   G7           C
Reach out your arms and hold somebody
           D#                F            Bb  D#  Bb
You ve got too much love to give to be alone

    F                                  D#  Bb
The world has never been so cold and lonely
    F                            Bb
The sky has never been a deeper blue
D7                                       D#
Just like you, there s someone just as lonely
        C7                                   F
And you know God made  em special just for you
```
