  C                      Am
I ve heard there was a secret chord
     C                     Am
That David played, and It pleased the Lord
    F                 G               C      G
But you don t really care For music, do ya?

    C                   F           G
It goes like this: The fourth, the fifth
     Am             F     G
The minor fall, the major lift
     G/B             E         Am
The baffled king Composing Hallelujah

      F           Am
Hallelujah, Hallelujah
      F           C G C G
Hallelujah, Hallelu--jah

      C                          Am
Your faith was strong But you needed proof
     C                Am
You saw her bathing On the roof
     F              G               C     G
Her beauty and the Moonlight overthrew you

     C             F        G
She tied you to a kitchen chair
     Am                       F        G
She broke your throne And she cut your hair
      G/B                E          Am
And from your lips She drew the Hallelujah

      F           Am
Hallelujah, Hallelujah
      F           C G C G
Hallelujah, Hallelu--jah

 C               Am
```

```
Maybe I ve been here before
    C                  Am
I know this room I ve walked this floor
  F              G              C      G
I used to live alone Before I knew you
      C                     F     G
I ve seen your flag On the marble arch
 Am            F       G
Love is not a victory march
        G/B              E        Am
It s a cold and It s a broken Hallelujah

      F           Am
Hallelujah, Hallelujah
      F           C G C G
Hallelujah, Hallelu--jah

  C                   Am
There was a time You let me know
  C                 Am
What s really going on below
     F              G             C      G
But now you never show It to me, do you?
   C               F    G
I remember when I moved in, you
      Am            F      G
Your holy dark Was moving too
      G/B             E          Am
And every breath we drew Was Hallelujah

      F           Am
Hallelujah, Hallelujah
      F           C G C G
Hallelujah, Hallelu--jah

 C               Am
Maybe there s a God above
    C           Am
And all I ever Learned from love
     F               G               C      G
Was how to shoot At someone Who outdrew you
             C          F       G
It s not a cry You can hear at night
          Am            F        G
It s not somebody Who s seen the light
        G/B              E        Am
It s a cold and It s a broken Hallelujah

      F           Am
Hallelujah, Hallelujah
      F           C   G
Hallelujah, Hallelujah
```

```
      F           Am
Hallelujah, Hallelujah
      F           C G C
Hallelujah, Hallelu--jah
```
