Blue sky (Blue sky)  
**F** **Am**  
Blue sky (Blue sky)  
**F** **Am**  
Blue sky (Blue sky)  
**F** **Am**  
Blue sky

**F** **Am**  
I find it hard to breathe as life just eats away  
**F** **Am**  
At the faces that surround me they look tired today  
**Dm** **Bb**  
The lady at my table doesn't want me here  
**Am** **D**  
I just want to talk to her  
**Fmaj7** **Em**  
But will she laugh at my accent and make fun of me  
**F** **Em F Em F**  
Oh doesn't seem like this blue sky's here for me

**F** **Am**  
There are no girls in here as far as I can see  
**F** **Am**  
Only pinned up posters looking down at me  
**Dm** **Bb**  
Watching paper cups of coffee going cold before my eyes  
**Am** **D**  
All the things I see that make me realise  
**Fmaj7** **Em**  
I'm in this big world without you, nothing to my name  
**F**  
Oh I never feel like blue sky meant to stay.

**F** **Am**  
Blue sky (Blue sky)  
**F** **Am**  
Blue sky (Blue sky)  
**F** **Am**  
Blue sky (Blue sky)  
**F** **Am G**

**F** **Am**  
I'm dying to be different in the coffee shop  
**F** **Am**

I live to borrow strength, now my supplies are cut

**Dm**

**Bb**

Oh I m older than my looks and younger than my years

**Am**

**D**

I m too young to take on my deepest fears

**Fmaj7**

**Em**

Oh I used to be confused but now I just dont know

**F**

**Am**

Since you left I ve been watching blue skies come and go
