

Cannot Hide

A-Ha

C#m E

Can you see me baby

A G#m

Standing in the light

C#m E

I feel your cat s eyes on me

A G#

Faster in the night

C#m

I move inside

A

Got those eyes

G#m

Something s burning baby

C#m

That s alright

You and I

A

ere tonight

F#m

Meet me on the other side

A C#m

Cause you can do me right

F#m

Take me where I cannot hide

A C#m

Cause you can do me right

F#m

Meet me on the other side

C#m E

You don t know me girl

A G#

I m faceless in the crowd

C#m E

The things I could show you baby

A G#

Come on, come into my cloud

C#m E

I m alive tonight

A G#

Something s falling baby

C#m

You and I

E

A

G#

Out of the sky I can see it in your eyes

F#m

Meet me on the other side

A **C#m**

Cause you can do me right

F#m

Take me where I cannot hide

A **C#m**

Cause you can do me right

F#m

You need, baby, you re alive

A **C#m**

Cause you can do me right

F#m

Take me to the other side

A **C#m**

Cause you can do me right

F#m

Meet me on the other side

A **C#m**

I speak French today baby.
