Do Not Love Too Long
The Abramson Singers

First tab, so please forgive me if I can t get the chords to be highlighted... haha.
Anyway, this song is based off the poem by William Butler Yeats. I feel like I shouldn t
have to type this, but just in case: I do not own anything in this song.

No capo

Em
Sweetheart do not love too long,

G D
I loved long and long,

C Em
And grew to be out of fashion,

C D
Like an old song,

Em
All through the years of our youth,

G D
Neither could have known,

C Em
Their own thoughts from the others,

C D
We were so much at one,

C Em
But O, in a minute (s)he changed,

Em
O do not love too long,

C Em
Or you ll be out of fashion,

Em D
Like an old song.
