Let It Go
The Bangles

This is the way I play â€œWhen itâ€™s overâ€• by: The Bangles Great Song, Girls!

(Strumming)
E A E A G B

(Verse 1)
E
One thing or another

Your head is filled with questions

Bm
sights and sounds
Distractions always get you down
E
Turn around

E
Trying to remember

Where were you

Bm
the day before
North and south and east and west
E D
Where to go

(Chorus)
A
When it s over

G D
When it s done

E A E A G B
Let it go

(Verse 2)
E
Frightened by the numbers

```
                  Bm
All the posibilities
                     changing minds you hope to find
           E
One more dream

E
To remind you

                              Bm
What is lost
            can always be regained

  E     D
Oooh

(Chorus)
           A
When it s over

          G  D
When it s done

       E         A    E    A     G     B      E
Let it go

(Middle / Bridge)
G     F#m     G      F#m       G       B       E

(Chorus 2)
A                                       G  D
When itâ€™s over              when itâ€™s done
              When itâ€™s over

A                                       G  D
When its over               when it s done
              When itâ€™s over

       E           A     E     A     G     B      E
Let it go
```
