**Live**
**The Bangles**

(intro) **D C G D**

```
D              C
Know, ya gotta know is that
G                      D
yourself or nothing at all
D                 C
Oh, you think you live, well how come
G                         D
You re here stuck in four walls

C                          F                                C
If you gotta go you better live your life before you pass away
C
Don t waste a day
C                         F
All your life you ve been locked in your room
                          C             G
You never had a chance to run away from home

D            C
So you gonna go, well good
G                D
Day to waste any time
D              C
Oh you like to think it s all
G                       D
Familiar, soon you will find

C                          F                                C
If you gotta go you better live your life before you pass away
C
Don t waste a day
C                         F
All your life you ve been locked in your room
                          C             G
You never had a chance to run away from home

D     C     G     D
Live, live, live, live
D     C     G     D
Live, live, live, live

D                C
Now, do what you want and where you
G                    D
Want, it s all up to you
```

```
D                C
Oh, you like the room, it s nice to
G                  D
Do what you want to do

C                          F                                C
If you gotta go you better live your life before you pass away
C
Don t waste a day
C                         F
All your life you ve been locked in your room
                          C             G
You never had a chance to run away from home

D                 C
If you don t know now what life s
G                    D
About, go on now and live
D                     C
And if you don t know how, it s not so
D                     G
Hard, just let go and live

C                          F                                C
If you gotta go you better live your life before you pass away
C
Don t waste a day
C                         F
All your life you ve been locked in your room
                          C             G
You never had a chance to run away from home

D     C     G     D
Live, live, live, live
D     C     G     D
Live, live, live, live
```
