San Miguel by The Beach Boys
(Dennis Wilson/Gregg Jakobson)

Sounds best to me when using barre chords for everything except the D chord.

```
  B
Started off the day with a thought
              F#
That took me far away
    B
I think I found a place
                         F#
Where I know I can be forever

              Eb
It s down in San Miguel
              G#
Could be in Mexico
           C#
Where you don t need no dough
                  F#-G-G#
I know I m gonna go

(Lookin  for the ladies of love)

  B
I go where I m going

Goin  straight ahead
            F#
Down in to San Miguel
 B
Over the top

We cross the border now
               F#
Headin  in to San Miguel

                   Eb
That s where I m gonna go
                       G#
Hope that you ll be comin  too
         C#
You can kick off your shoes
                       F#-G-G#
Come on it s time to go
```

Lookin for the ladies of love

(Play verse chords over the Ow Ow s and yi yi yi s)

Ow ow

Yiyiyiyiyiyi

```
              Eb
It s down in San Miguel
              G#
Could be in Mexico
            C#
Where you don t need no dough
                  F#-G-G#
I know I m gonna go
```

Lookin for the ladies of love

Bb (through fade-out)
La la la la
