DOWN IN THE WELL
Bevis Frond
(Nick Saloman)

F# Bb B
George, another pint of winter warmer,
F# Bb B
See the bubbles rising, that s not right now,
F# Bb B
Cans and bottles and the guilt of the disposer,
G# F#
I was never one for preaching,
G# F#
You never know who you re reaching,
G# B C# (Eb) F# B
But now I seem to do it most of the time,
Bb B
Down in the Well (x2)
Bb B F#
Down in the well I hold forth.

Do I stand beneath a falling building,
Like some 1920 s window cleaner?
Just an architect created pancake.
I was never one for running,
Ther s always something coming,
Wherever you hide it always finds you asleep,
Down in the well I sweet dream.

Down in the well I remain.

Nick Saloman: Guitars, Bass, Vocals
Martin Crowley: Drums

The solo is dead simple... Just listen and play along in open G major pentatonic. Then move up to the 12th (15th) fret for the high bit.

Easy!
If anyone can recommend a good tabbing program, I d transcribe it, but it s difficult to get the timing right in Notepad - sorry.
Comments and suggestions welcome.
