Too Afraid To Love You
The Black Keys

[Intro]
Em

[Verse 1]
Em
My gears they grind
More each day
      Am
And I feel like
                    Em
They re gonna grind away
And the city blocks
They drive me wild
Am
The never ending
           Em
Mile after mile

[Chorus]
          C   **Bm**   **Am** **Dsus2/G** (3x0230)
I just don t know what to do
          Em
I m too afraid to love you

[Verse 2]
Em
It s heaven on earth
It s in her embrace
Am
Her gentle touch
            Em
Her smiling face
I m just one wishing
Halo was up here
Am
With someone
        Em
Oh, somewhere

[Chorus]
          C   **Bm**   **Am** **Dsus2/G**
I just don t know what to do
          Em
I m too afraid to love you

[Bridge]
Am

All those sleepless nights
And all those wasted days
Em
I wish loneliness would leave me
But I think it s here to stay
Am
What more can I do?
Caus I m wringing myself dry
Bm
And I can t afford to lose
One more teardrop from my eyes

[Outro]
Em
I m too afraid
I m too afraid
I just don t know what to do
With myself

N.C.
Thinking all the time
Don t know what to do
Don t know what to do
Driving me out of my mind
