

## Foot Of The Mountain

A-Ha

A-ha - Foot Of The Mountain  
====tabs=by=subnimo7=====

Em G Am C

Em G Am C

G

Keep your clever lines

Em

Hold your easy rhymes

G

Silence everything

Em

Silence always wins

Dm

It's a perfect alibi

C

There's no need to analyze

G

It will be all right

Em

Through the longest night

G

Just silence everything

G - F# - Em

Em Am C G G - F# - Em

But we could live by the foot of the mountain

Em Am C G G - F# - Am

We could clear us a yard in the back

Am C D C H

Build a home by the foot of the mountain

Em                    G                    C                    G  
We could stay there and never come back

Em G Am C

G  
Learn from my mistake

Em  
Leave what others take

G  
Speak when spoken to

Em  
And do what others do

Dm  
Silence always wins

C  
So silence everything

G  
It will be all right

Em  
In the morning light

G  
Just silence everything

G - F# - Em

Em                    Am                    C                    G                    G - F# - Em  
But we could live by the foot of the mountain

Em                    Am                    C                    G                    G - F# - Am  
We could clear us a yard in the back

Am                    C                    D                    C                    H  
Build a home by the foot of the mountain

Em                    G                    C                    G  
We could stay there and never come back

Em                    G                    C                    G  
We could stay there and never come back

G D C G  
We could live together

Em G Am C  
Em G Am C

G - F# - Em

Em Am C G G - F# - Em  
But we could live by the foot of the mountain

Em Am C G G - F# - Am  
We could make us a white picket fence

Am C D C H  
Build a home by the foot of the mountain

Em G C G  
We could stay there and see how it ends

Em G C G  
We could stay there and see how it ends.
