

Forest Fire

A-Ha

Cm

Goes around

Fm

Comes around

Bb **G7**

It doesn't really matter, yeah

Cm

Something wrong

Fm

A false alarm

Bb **G7**

Doesn't ring that true

Fm Cm Fm

U U U Watch it flare up

Cm Fm G7

U U U Where do we begin

Cm **Fm**

We are flames in the forest fire

Bb

Dancing from within

G7

That's where we begin

Cm **Fm**

We take you far and wide

Bb

And like always

G Cm Fm Bb G

Leave a silver lining scar

Cm

The stores in town

Fm

Are closing down

Bb **G**

And everything's in ruin

Cm

Borderline

Fm

Just turn around

Bb **G**

Out of every ditch, a path

UUU Watch it flare up

UUU Time to reign it in

So let's begin

We are flames in the forest fire
Rising from within
That s where we begin
And we fuel desire
And like always
Leave a silver lining scar
