Where Did You Come From â€“ the Buckinghams
Tabbed by Zack Feldman
Donâ€™t expect this to get a lot of hits, but I hope some get enjoyment out of it!

```
D               A                        Bm                   A
D             A                  Bm                  D/F#      F#m   G   A

D                                A
Where did you come from?
Bm                    Em
If youre real I can t believe my eyes
A                  D
Just like a summer rain
Em                         A
You caught me by surprise
D                       A
Where are you goin?
Bm                  Em
Pretty girl with lips as red as wine
A                  D
Im gonna follow you, my love
Em                   A              D
Till I make you mine, all mine

BRIDGE:
                           A                          D
Now that you re near, we have so much to do
Bm                      Em                                  A
Take my hand & hold on tightly; I m not losin  you

D                     A
Where did you come from?
Bm                      Em
Lets go back together right away
A              D
I cannot wait to tell the world
 Em              A            D
That I fell in love today

(Bridge)

(Repeat second verse)

(Bridge)
```

I fell in love today, yeah

In love today, oh yeah

In love today, yeah yeah

In love today
