Everything you say
The Cars

Intro: **B C# Ebm C# Eb B C#**

```
 Ebm                 B
They can t stop you in the night
                         Ebm
Twirling wildly in the light
C#                    B           C#
But i know honey it won t take long
                 B   Ebm  B   Ebm B
Feels like it s one on one on one
Ebm                      B        Ebm
There must have been a dream in you
             B               Ebm  B
Stick and fall and follow through
C#                   B           C#
But i know honey it won t take long
C#               B      F#    Ebm   F#     Ebm
Feels like it s much too strong too strong
  Bbm                      B             G#m
But then you tell me that you can t go on
  Bbm                  B           C#
And you think you re losing sight
 Bbm
Don t you worry
  B            G#   G#m C#
You can t go wrong inside
Ebm               Eb  B C#
Everything you say
C#                   Ebm  B C#
Leaves me full of shine
Ebm              B  C#
Everything you say
C#              Ebm  B C#
Crosses up my mind
        Ebm            B   C#
That s everything you say
 B                         Ebm
You could twist a little while

Lie there fallin for a smile
C#                    Ebm
But i know honey you won t give in
C#                 B
Feels like when you begin you re in

Then you tell me that you can t resist
```

Something happens that you like

(**Ebm B C#**)
You want to know
That you ve been kissed goodnight
When you know it s not for real
I know honey for one long time
It feels like you re endlessly entwined
But i know it s what you did
You can t be in a broken binge
Take my heart is only tin
