North And South
The Clash

Intro **B Ebm E F#**

verse 1

```
B         Ebm E            F#
And so we say,we ain t got life
B                       Ebm     E                     Ebm
Don t want a cardboard cut-out,don t want a plastic knife
```

```
E          F#              Ebm                E
Now I know,time can march,with it s charging feet
E          F#     Ebm      E
Now I know,words are only cheap
E                 B        E               B
Theres gonna be a burn out,all around this town
E            B  E                   B
The South is up,oh but the north is down
E                  Ebm                     E
There s gonna be a killin  of a woman and a man
E                   Ebm                            F#
Trying to feed that child without a coin in their hand
```

verse 2

```
B         Ebm E           F#
And so we say,have you no use
B                 Ebm   E                Ebm
For eight million hands,and the power of youth
```

```
E          F#              Ebm                E
Now I know,time can march,with it s charging feet
E          F#     Ebm      E
Now I know,words are only cheap
E                 B        E               B
Theres gonna be a burn out,all around this town
E            B  E                   B
The South is up,oh but the north is down
```

```
E                   Ebm                       E
There s gonna be a killin  of a woman and a man
E                    Ebm                            F#
Trying to feed that child without a coin in their hand
                   C#m
Theres gonna be a burn out
```

Instrumental C#m B A G#m *(4x)* F#

verse 3

```
B         Ebm E                    F#
And so we say,we ain t diggin  no graves
B               Ebm        E                  Ebm
We re diggin  a foundation,for a future to be made
```

```
E          F#              Ebm                E
Now I know,time can march,with it s charging feet
E          F#     Ebm      E
Now I know,words are only cheap
E                 B        E               B
Theres gonna be a burn out,all around this town
E            B  E                   B
The South is up,oh but the north is down
E                   Ebm                       E
There s gonna be a killin  of a woman and a man
E                    Ebm                            F#
Trying to feed that child without a coin in their hand
                   C#m
Theres gonna be a burn out
```
