

How sweet it Was

A-Ha

Intro: Cm

Uh, yeah, that s alright  
Lend us a voice in this howling night

Just about a month ago you made a promise, babe, not to go back  
Yes, you did now  
You were the heart and soul

One to the nightfall  
One to the stars  
One to the haunted fools we are  
One to remember  
One to recall  
One to acknowledge just how sweet it was, yeah

Just about a month ago, yeah  
You made a promise, babe, ain t that so?  
Yes, you did now  
Into this howling night

You got, you got, you got, uh  
You got me so, you got me so low, yeah
