The Cranberries

[Intro] **G# C#**

G#
Yesterday s gone
G#
Yesterday s gone
C#
And I m open
C#
I m open
G#
Tomorrow will come
G#
Tomorrow will come
C#
Am I dreaming?
C#
Dreaming

C# Eb C#
I m sorry I left you
C# Eb C#
I m sorry I love you
C# Eb C#
I planted so much pain there
C# Eb Bbm
I then went insane there

G# Bbm
There s a place I know
G# Bbm
Where we can go
G# Bbm
Just to be with you
G# Bbm
Is all I want to do

(**G# C#**)

G#
Beautiful child
G#
Beautiful child
C#
You are gorgeous
C#
You re gorgeous

```
G#
Beautiful child
G#
Beautiful child
        C#
You are lovely
       C#
You re lovely

C#             Eb  C#
Dreamless and broken
    C#            Eb  C#
But violence has spoken
     C#            Eb C#
I ll take no more insults
     C#            Eb  Bbm
I ll take no more torment

          G#       Bbm
There s a place I know
       G#      Bbm
Where we can go
         G#       Bbm
Just to be with you
    G#             Bbm
Is all I want to do

( G#  G#  C#  C# )
( G#  G#  C#  C# )

          G#       Bbm
There s a place I know
       G#      Bbm
Where we can go
         G#       Bbm
Just to be with you
    G#             Bbm
Is all I want to do

           G#          Bbm
And you spread your wings
      G#    Bbm
And fly away
            G#      Bbm
Left your mother idly
      G#                  Bbm
Don t matter what they say

          G#       Bbm
There s a place I know
       G#      Bbm
Where we can go
         G#       Bbm
```

Just to be with you
    G# **Bbm**
Is all I want to do
