interested on any parts anyone else has (same goes for Sunday s music).
Hopefully enough parts will turn into complete songs.

Deaming My Dreams

acoustic intro is: C G F C
then the picked through electric goes: C G(barre) Am(barre)
then end with picking through F Dm

Linger

I think this has been tabbed enough
intro picking through D 2 then 2 then back to normal D
3 3
2 0

Chords go D A C G
D is played 2 and 2 A is played 0 and 0 C: 0 and 0 and G 3 and 3

3	3	2	0	1	0	0	0
2	0	2	2	0	0	0	0
0	0	2	2	2	2	0	0
		0	0	3	3	2	0
						3	

Ridiculous Thoughts

intro is A G E, that s all i have, sorry

Daffodils Lament

intro riff is
(note, capo up to G)

b-7-0-5-0-3-0-1-3-1-0

that s actually all hammer ons and pulloffs.

Then it goes into the awesome flange and i can no longer make out the chords.

Well, it s a start on a few songs, more later (i hope)
